Honesty analysis

Score 2.0/10 · verdict likely_misleading

The listing is highly misleading: the contact claims to be the owner but demands Rs 5,000 brokerage, while rent (Rs 30,000 vs Rs 22,000) and deposit (Rs 1,00,000 vs Rs 60,000) are both much higher than advertised.

- **Claiming to be the owner while demanding Rs 5,000 brokerage**
- **Substantial increase in rent from Rs 22,000 to Rs 30,000**
- **Deposit increased significantly from Rs 60,000 to Rs 1,00,000**
- **rent:** advert said Rs 22,000, call said Rs 30,000
- **deposit:** advert said Rs 60,000, call said Rs 1,00,000
- **brokerage:** advert said Contact listed as owner (no brokerage mentioned), call said Rs 5,000 brokerage despite claiming to be the owner
